

Curious Georges Dat School Fantasy Sequence

inventing luxembourg - orbilu.uni - some novelist's imagination, a curious experiment in nation-making. The country is indeed small, both in terms of its population, which does not exceed half a million permanent inhabitants (although cross-**the eyes and ears - australian artillery association** - in nui dat, south vietnam • editor: paul ... here i meet warwick hamilton and i asked him to send me to a vietnamese language course at georges heights (not far from where the future bride lived). i don't remember much time at holsworthy. had the army changed my life yet? well i've only just met a girl, so far. at a point of time in vietnam i knew that i would not be a school teacher and i ...
